AL WATANI VISION
CBD PUNJAB'S BOLDEST NATIONAL ENDEAVOUR

Al Watani represents the bold and futuristic vision of Chief Minister Punjab Maryam Nawaz to reshape Punjab's economic landscape and reposition Pakistan on the global investment map.

Government of the Punjab's most ambitious national endeavour to date, anchored in a multi-billion-dollar joint venture model designed to unlock transformative opportunities across commercial, technology, retail, hospitality, residential, and infrastructure. Al Watani is a strategic invitation to the world's visionaries who seek to co-create iconic, legacy-driven projects in one of the world's most dynamic emerging markets.

This initiative marks a pivotal shift in Pakistan's narrative. The country is no longer waiting to rise, it is already rising. Through Al Watani, Punjab is ushering in a new era of development, with skyline defining towers.

This is the making of national transformation.
This is Al Watani. Onward & Upward.

PUNJAB
THE ECONOMIC POWERHOUSE OF PAKISTAN

Punjab is a thriving hub for economic growth in Pakistan, characterized by its flourishing agriculture, robust industries, and supportive policies. Punjab stands as an ideal destination for investment and entrepreneurship, offering diverse opportunities for businesses with a promising and vibrant future.

AL WATANI
Initiatives

CBD PUNJAB

Pakistan's First Central Business District

CBD Punjab is at the forefront of Pakistan's urban and economic transformation. As the country's first self-funded and fully empowered Central Business District, CBD Punjab is redefining the development landscape with a focus on smart growth, sustainability, and global integration. Designed to facilitate investment and innovation, it offers a seamless experience through one-window operations, developer-friendly policies, and fast-track approvals, making it an ideal destination for forward-looking investors and strategic partners.

Within four years, CBD Punjab has launched four flagship projects across over 1100 acres of strategically located land, unlocking a multi-billion-dollar revenue potential. At its core, CBD Punjab is more than development authority, it is a platform where bold ideas take physical shape and where Pakistan's next chapter of growth begins.
Welcome to CBD Punjab. Where Vision Meets Reality.

AL WATANI Initiatives

PARTNERSHIP MODEL

The Al Watani Joint Venture Framework

Al Watani transforms strategic opportunities into landmark developments through a transparent Joint Venture framework. Under this model, CBD Punjab contributes premium, development-ready land, while private sector partners bring investment, expertise, innovation, and execution capabilities.

Designed to create shared value, the framework enables investors, developers, operators, and global partners to participate in high-impact projects across commercial, residential, retail, hospitality, corporate, and mixed-use sectors.

The framework is designed to create a balanced and mutually beneficial partnership where both parties share in the success of the project. Investors gain access to premium development opportunities backed by a transparent and structured process, while CBD Punjab ensures that every project aligns with its broader vision of sustainable growth, economic advancement, and world-class urban development.

Each opportunity is awarded through a competitive and transparent process, beginning with the publication of the project, issuance/submission of a Request for Proposal (RFP), followed by proposal evaluation, partner selection, and the execution of a Joint Venture Agreement. Together, CBD Punjab and its partners collaborate to deliver world-class development that drive economic growth, create lasting value, and shape the future of Punjab.

AZALEA

Lahore's Hyper Retail Landmark

Azalea, located at CBD Quaid District, is envisioned as Lahore's next hyper retail landmark under CBD Punjab. It is designed as a premium retail and lifestyle destination that introduces a modern, high-energy commercial environment to the city.

The development focuses on delivering high-value retail experiences supported by contemporary architecture, efficient urban design, and seamless connectivity. It integrates pedestrian-friendly planning with vibrant public spaces to enhance visitor engagement and overall usability. Azalea brings together retail, leisure, and lifestyle elements within a thoughtfully structured mixed-use setting. The project is positioned to host leading brands and attract significant commercial activity, strengthening its appeal as a key urban destination.

It emphasizes quality spaces, smooth mobility, and a refined urban experience tailored for modern consumer needs. The design approach prioritizes accessibility, visual appeal, and functional convenience within a cohesive layout.

AXIS

Lahore's Next Retail Royalty

Axis, located at CBD Punjab Quaid District, is positioned as a premium retail destination within the city's most dynamic urban development zone. It is designed to redefine high-end retail and mixed-use urban experience by bringing together modern commercial spaces, lifestyle elements, and a vibrant urban environment.

The project focuses on creating a high-value destination that attracts leading brands, investors, and visitors while offering a seamless blend of shopping, leisure, and business activity. Axis integrates contemporary design, smart infrastructure, and pedestrian-friendly planning to ensure a smooth and engaging urban experience. It benefits from strong connectivity within CBD Punjab's evolving landscape, enhancing accessibility and footfall.

The development emphasizes quality, innovation, and modern urban living standards to position itself as a landmark retail address. By offering a refined and experience-driven environment, Axis strengthens Lahore's image as a growing hub for premium commerce. It is envisioned as a key lifestyle and retail attraction that elevates the surrounding district.

THE REGALIA

Lahore's Next Iconic Destination For Experimental Living

The Regalia, located at CBD Quaid District , is envisioned as Lahore's iconic destination for experiential living and a premium urban lifestyle address. It is part of a larger citywide transformation aimed at creating a modern, sustainable, and globally competitive business and lifestyle hub.

The project focuses on delivering high-quality branded residences integrated with contemporary architecture, smart planning, and seamless connectivity within a well-structured urban environment.

Regalia brings together residential comfort and lifestyle-driven commercial experiences to create a balanced mixed-use destination. It is designed around enhanced mobility, pedestrian-friendly surroundings, and thoughtfully planned open and green spaces that improve overall urban experience. Positioned as a landmark development in CBD Punjab, it strengthens Lahore's appeal as a growing investment and lifestyle hub. The project emphasizes modern urban living standards with a strong focus on convenience, design quality, and long-term value creation.

LAHORE DOWNTOWN

Lahore's Most Ambitious Mixed-Use Development

Lahore Downtown, located in CBD Quaid District, is envisioned as one of Lahore's most ambitious mixed-use developments and a landmark urban destination redefining the city's core. It is designed to bring together commercial, residential, and recreational spaces within a vibrant, future-ready environment that reflects modern city living.

The project focuses on creating a high-energy urban hub that supports retail, lifestyle, and business activity while offering a seamless everyday experience. Lahore Downtown emphasizes premium architecture, pedestrian-friendly spaces, and thoughtfully planned green areas that enhance overall livability. It is developed as a dynamic destination that attracts investment and encourages long-term urban growth. With strong connectivity and modern infrastructure, it supports smooth movement and easy access across key areas of the city.

The development introduces a refined balance between work, lifestyle, and leisure in a single integrated environment. Positioned as a major urban attraction, it reflects a forward-looking vision for contemporary city life. Lahore Downtown is designed to stand out as a signature destination within CBD Punjab.

HOSPITALITY

Lahore's First Five Star Plus Mixed-Use Landmark

This project, located in CBD Quaid District, is envisioned as Lahore's first Five-Star Plus mixed-use landmark, setting a new benchmark for luxury, lifestyle, and integrated urban development. It is designed as an ultra-premium destination that brings together high-end hospitality and modern mixed-use functionality within a single iconic development.

The concept focuses on delivering a world-class experience that blends luxury living, retail excellence, and business convenience in one unified environment. It emphasizes premium design, smart infrastructure, and future-ready planning to create a seamless and elevated user experience. The development is carefully crafted to enhance accessibility, connectivity, and overall urban convenience while maintaining a strong focus on exclusivity and quality.

It is aligned with global benchmarks for mixed-use luxury destinations, ensuring a distinctive identity in the regional real estate landscape. By integrating hospitality, retail, and lifestyle components, it creates a vibrant and dynamic urban ecosystem.
