Quaid's Message

"With faith, discipline and selfless devotion to duty,
there is nothing worthwhile that you cannot achieve."

Muhammad Ali Jinnah

MESSAGE FROM THE **CHIEF EXECUTIVE OFFICER**

CBD Punjab was established with the vision of developing a modern business district that reflects the economic aspirations and institutional strength of the province. Through careful planning and progressive urban development, we are shaping an urban environment where commerce, governance, and essential services coexist within a cohesive and future-ready framework.

The introduction of the Hospital Plot at CBD Bab District reflects our commitment to strengthening the district's institutional and healthcare infrastructure. The establishment of a major medical facility at this location will contribute to building a business district that not only supports economic activity but also responds to the broader needs of the community.

CBD Punjab remains committed to facilitating developments that uphold high standards of planning, sustainability, and long-term public value.

HOSPITAL

MESSAGE FROM THE **CHIEF OPERATING OFFICER**

CBD Punjab is being developed through a structured approach to planning and infrastructure development, ensuring that each component of the district contributes to a balanced and well-functioning urban environment.

The Hospital Plot at CBD Bab District offers the opportunity to establish a significant healthcare facility within a strategically planned and well-connected urban setting. With clearly defined development parameters and strong accessibility, the site provides the foundation for a project capable of supporting advanced medical services.

As the district continues to evolve, the integration of essential services such as healthcare will remain central to our objective of building a sustainable and responsive urban center.

A STRATEGIC HEALTHCARE DEVELOPMENT OPPORTUNITY

The healthcare sector continues to represent one of the most critical and resilient areas of infrastructure investment. With Lahore's expanding population and the growing demand for modern medical services, the need for well planned, high capacity healthcare facilities has become increasingly significant.

CBD Punjab now presents a 40 kanal hospital plot at CBD Bab District, offering healthcare institutions and investors the opportunity to develop a large scale medical facility within Punjab's premium business district. With substantial development capacity and clearly defined planning parameters, the site provides the foundation for establishing a modern hospital capable of accommodating advanced treatment services, specialized departments, and comprehensive healthcare infrastructure.

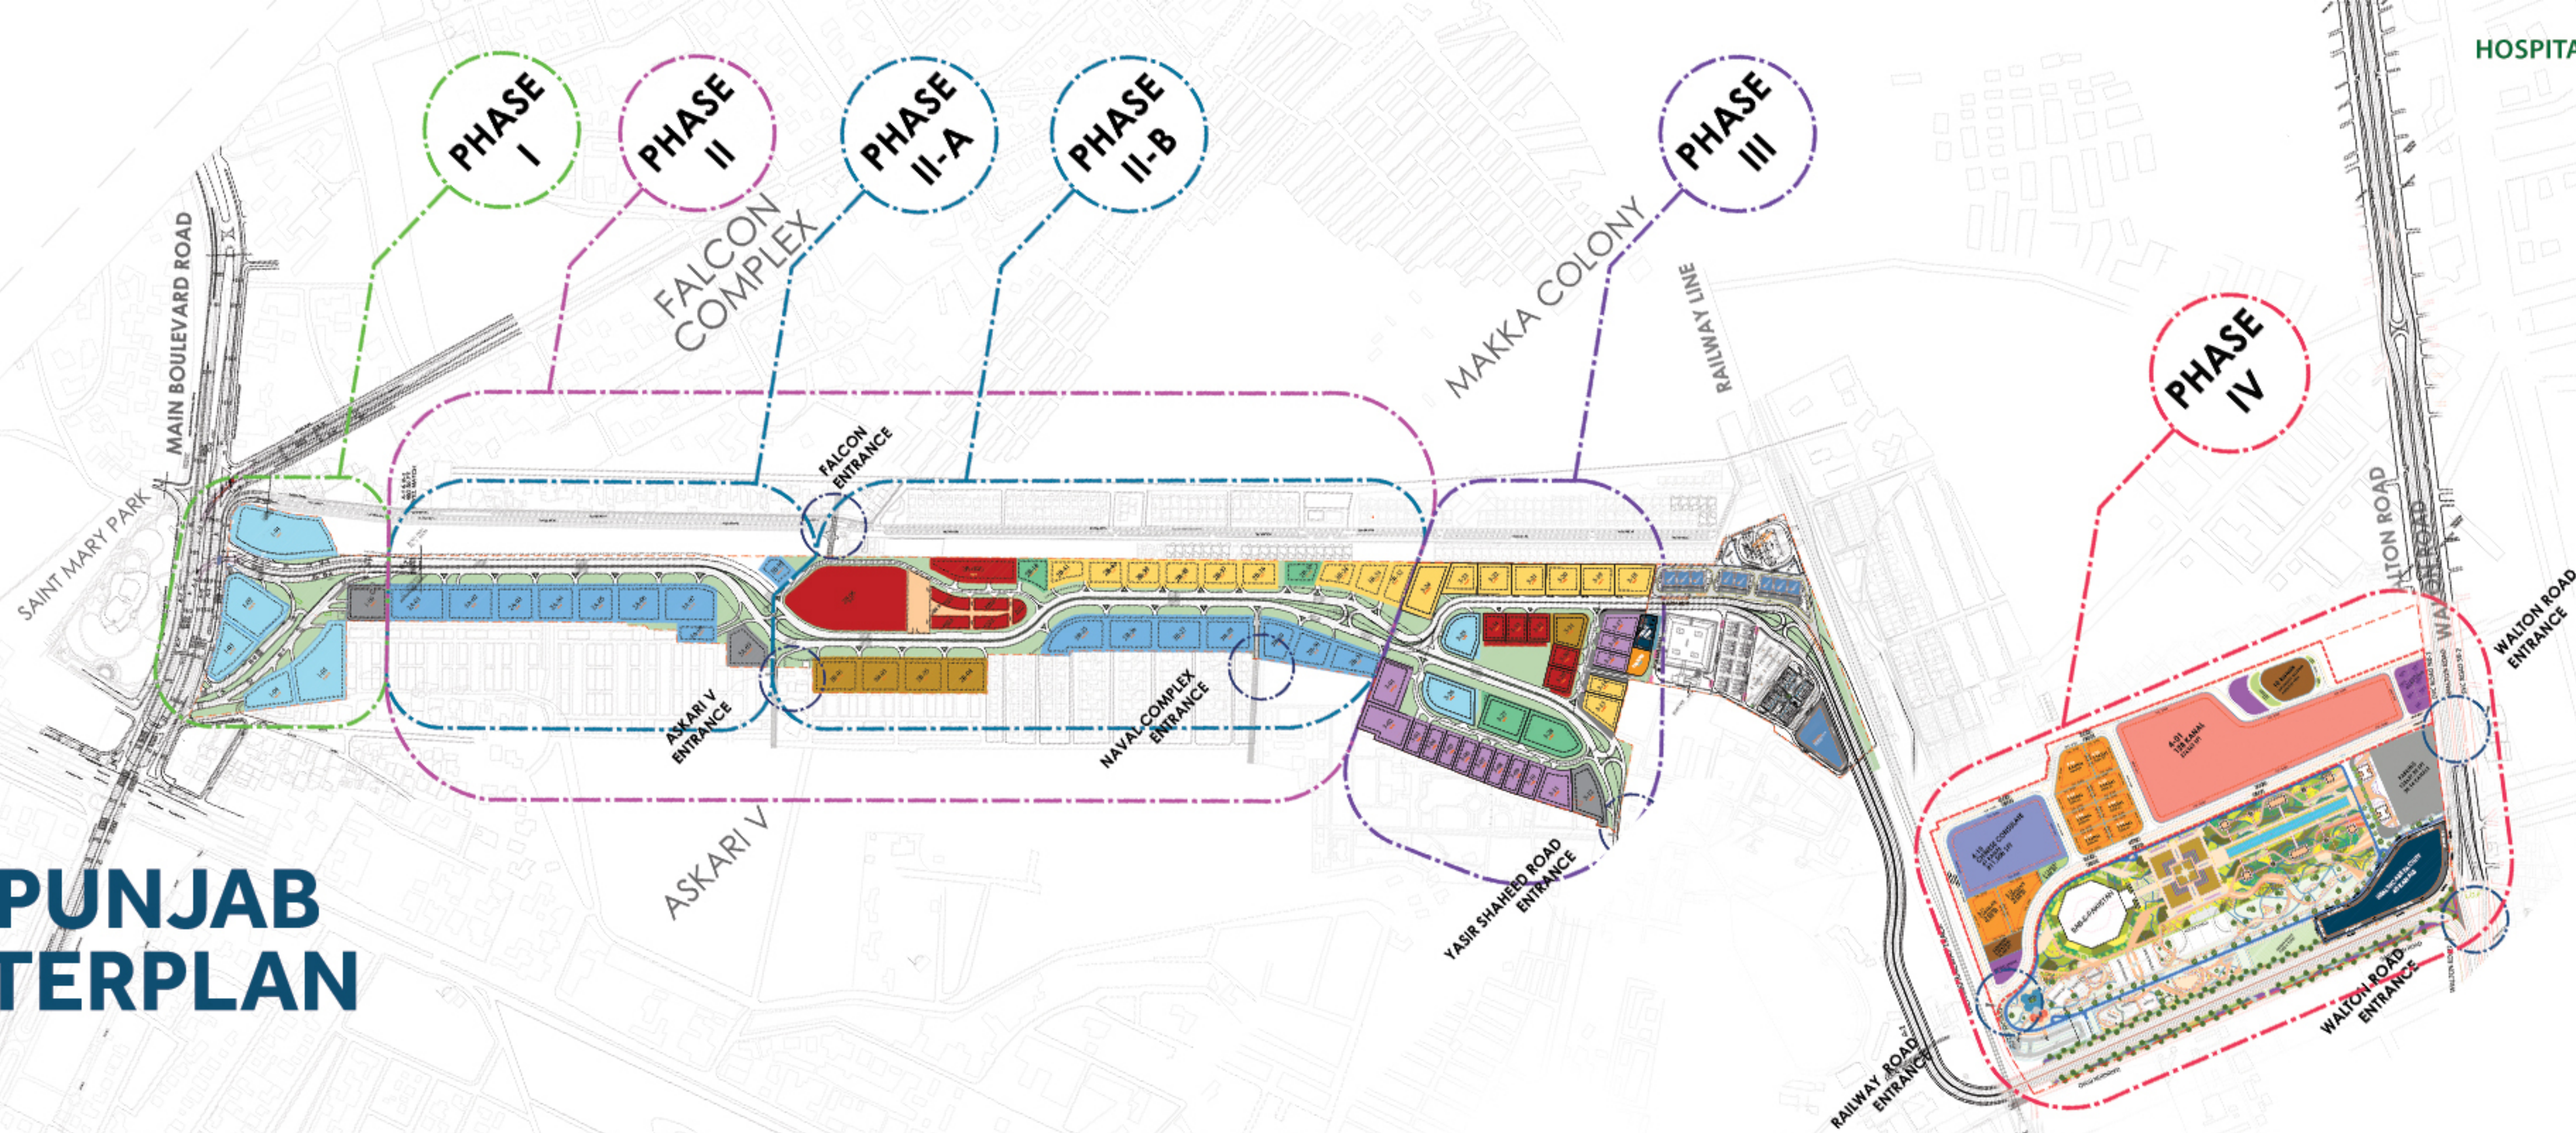

Positioned within a strategically planned urban environment and accessible from major residential and commercial areas, the plot offers strong potential for the development of a flagship healthcare institution that can serve a broad population while delivering long term institutional and investment value.
